As you may know, this is a recital year for us!

Recital performances on Saturday evening, June 11<sup>th</sup> and Sunday afternoon, June 12<sup>th</sup>.**

We will provide further information at the required information day during your child's first lesson in the month of November.

**Please read the following "Recital Participation Guidelines"...**

1. Participation in recitals at *Charlotte Braun Dance Studio, Inc.* is NOT required. However, because dance is a "performing art," we strongly suggest participation as a part of any student's study of dance. To help us in planning, we ask that you please notify the Studio of your intention to participate in the recital.
2. For students wishing to participate, regular attendance at weekly classes and at **all** of the above-listed dress rehearsal and performance dates is required.
3. For students of *Charlotte Braun Dance Studio, Inc.* to participate in our recitals, students may NOT be studying dance or participating in dance lessons / classes at any other studio.

If you have any questions regarding the information above, please see Patty Nowak-Briggs.
